

WHO ARE WE?

HAMLET FORUM is a voluntary committee established out of members of the broader community with the aim of transforming Prince Alfred's Hamlet into a clean, neat, and effective functioning town. We aim to coordinate and deliver services in our community.

HAMLET FORUM thus aims to assist the entire Community of Prince Alfred's Hamlet in establishing a safe environment of which we all can be proud of.

HAMLET FORUM will act as a mouthpiece for you as residents to the Witzenberg Municipality and the Ceres Business Initiative (CBI) in matters that affects our community, thereby ensuring that such matters are attended to, and remedies executed.

MISSION: A clean, neat and effective functioning Prince Alfred's Hamlet.
